TERMINAL DISCLAIMER

The undersigned who represents Chartex International Plc., the owner of the entire interest of the above-identified application, hereby disclaims, under 35 U.S.C. 253, the terminal part of all claims of any patent granted on said application which would extend beyond 17 years from the issue date of U.S. Patent No. 4,735,621, that is for the term after April 5, 1988. The above-identified application and issued U.S. Patent No. 4,735,621 are commonly owned by Chartex International Plc. Any patent granted on the above-identified application shall be enforceable only for and during such period that said patent is commonly owned with the above-identified application or U.S. Patent No. 4,735,621. The appropriate fee as set forth in 37 C.F.R. 1.20(d) is enclosed herewith.
